

HALLOWEEN IS COMING

DEAR NEIGHBOURS & FRIENDS

Some of the kids in our neighbourhood would like to try Trick or Treating this year. We love this tradition because it gets the kids out meeting their neighbours, and teaches them to be brave enough to ring that doorbell! They'll be out and about on Thursday October 31st from around 5pm. So if you'd like to participate, here's what to do:

1

Register your address with www.TrickorTreatMe.com so all the ghosts and ghouls can plan their attack!

2

On the day, put out a balloon, pumpkin, or stick the TrickorTreatMe Logo to your letterbox

3

Get out the treats and set up for a night of fun and giggles!
