

Halloween is here! Wednesday 31st October

Dear Neighbours,

Some of our local kids would love to try Trick or Treating this Halloween in our street.

We love this tradition because it gets the kids out meeting all of our neighbours, and teaching them to be brave enough to ring that doorbell!

The kids will be out from 5pm Wednesday afternoon, and we'd love it if you could welcome them.

If you're happy to have them visit, perhaps tape a balloon or the pumpkin below to your letterbox to encourage them. You can also go to www.trickortreatme.com and register your address so we can see who wants to participate in this fun activity.
